E/053/010	UTU-68586	J.P. Leavitt	Not the same area as Welsh's claims - approximately 2 miles west of them.  This file is still open. Mr. Leavitt is unable physically or mentally to do the work and cannot afford to contract it. When he dies this file will be closed.
E/053/016	UTU-6680	Freeport-McMoran	Most reclamation was done and the file closed on 6/17/91.  Ron Terry (RonCon) accepted reclamation responsibility for the remainder so this is now part of UTU-67102.
E/053/017 S/053/008	UTU-66871	John Welsh	I would recommend leaving exploration notice open and closing small mine notice.
E/053/021	UTU-68905	John Welsh	closed 2/18/93
E/053/026 S/053/015	UTU-66871	John Welsh	Close both Wayne and I inspected in Dec. 97 and decided no reclamation was needed. <i>access road?</i>
E/053/027	UTU 67811	Pioneer Exploration/ GWH, Inc.	Still open, still awaiting reclamation.  This could be closed if the companies are completely defunct.
E/053/028	UTU-69531	GaGe Minerals	Still open, still awaiting reclamation.  This could be closed if company is completely defunct.
